DESCRIPTION

U-Power **long work socks** designed to provide maximum **comfort** and **protection during the coldest** and wettest **seasons** . Made from a **technical thermal fabric** , they keep the foot warm and dry, ensuring maximum comfort even in the most adverse weather conditions. Equipped with a **supportive ankle band** , these socks offer stability, while flat seams under the toe eliminate pressure points for superior comfort. The reinforced wear-resistant heel and toe provide exceptional durability, making these socks ideal for professionals who seek reliability and strength. This product is available in lots of 2 pieces only.
