## DESCRIPTION

**U-Power cargo pants that combine style and functionality in a modern, practical design.** Made of **polyester/cotton stretch ripstop fabric**, they offer **wear-resistance** and **freedom of movement**, ideal for tackling every workday in comfort. The **jogging fit**, with elastic inserts at the waist and bottom, fits every situation, while the zipper and scratch-resistant button closure adds practicality. Designed to be versatile, they feature a **zippered bottom to facilitate use with high shoes**, a back yoke for lumbar protection, and a reinforced D-ring loop. The Hike pant has several pockets, including **two front pockets**, **two back** zippered pockets, and **two multifunctional side** pockets, including one with a concealed **badge holder** and one with a colorful vertical zipper that adds a distinctive touch. **Wear-resistant knee reinforcements** and **reflex inserts** ensure durability and visibility, making these pants perfect even in low-light conditions. The modern design is complemented by reflective details and logos that combine safety and style. This **pant** is a **versatile** and **durable** garment perfect for professionals who seek efficiency without sacrificing design.
