

HUGO

0PU80011

DESCRIPTION

U-Power safety boot that **combines innovative materials** and **advanced technology** to provide an excellent user experience. **Lightweight PU SOFT construction** ensures strength without sacrificing comfort, even after hours of work in harsh environments. The polyester inner **lining** promotes breathability and **keeps the foot dry** . The fiberglass **FiberToe toe cap** effectively **protects the toes** , while the ergonomic steel blade safeguards the sole of the foot from sharp and dangerous objects. The **sole** , made with U-Power spray technology, is **made of compact polyurethane** with an **outdoor tread** designed to provide grip on slippery and uneven surfaces. Available in a wide range of sizes, from 35 to 48.

UPPER
