

IMAI

WHL317YF

DESCRIPTION

The **U-Power** Imai **padded** work **jacket** is designed to provide comfort and safety even in the harshest conditions. Made **of water-repellent fabric** and **featuring warm** , protective **padding** , it is ideal for use in cold and wet environments. **Reflective bands** applied to the torso and sleeves **provide high visibility** , enhancing safety in the workplace. The central zipper closure and adjustable, detachable hood offer flexibility and convenience, while elastic rib cuffs ensure a comfortable fit and excellent protection against wind and cold. The imai jacket has **two large** zippered **front pockets** , perfect for storing essentials, and a handy zippered right-side **chest pocket** for added functionality. Durable and high performance, it is **guaranteed for up to 25 washes** , keeping its technical and comfort properties intact. The product is only available in batches of 1 piece (code HL317) and 10 pieces (code CY317).
