

LAPIS

GUG00015

DESCRIPTION

U-Power 's Lapis **work glove** offers excellent protection **against mechanical and thermal hazards** and is **ideal for the food industry** due to its food contact compatibility. Made with a **15-needle finish** , it provides a better tactile sense, facilitating precision work. **D-TECH technology** , with lightweight and thin materials, gives the glove a **perfect fit** , **protection** and a Second Skill Feeling, making it suitable for tasks that require high sensitivity and dexterity. The **stretch Nylon cuff** provides comfort during extended use, while **touchscreen compatibility** allows the use of smartphones and tablets without having to remove the glove. Perfect for those working in the food industry, the Lapis glove combines safety and functionality, providing maximum protection and comfort. Available in packs of 12 and 144 pieces (GUG14415).
