

LINDO

WST421DS

DESCRIPTION

Cargo work trousers designed to provide comfort and protection during the coldest days. The winter fabric with brushed inner lining retains heat and ensures a soft feel against the skin.

The structure is durable and functional, designed for professional use. It features two multifunctional side cargo pockets with Velcro closure, two front pockets, and one back pocket, ideal for keeping tools and accessories always within reach.

The design with pre-shaped knees enhances freedom of movement, while the hammer loop increases practicality during work. The bottom of the trousers is reinforced with a heel guard for greater durability over time.

Available in packs of 20 pcs (WCY421)

STRETCH FABRIC

Stretch cotton fabric. Combines cotton comfort with elastomeric fiber functionality to create garments that are comfortable, durable and highly breathable.
