

Model: LINEAR

Protection Class: S3S CI FO SR

Article: 0RV20404

EU Norm: EN ISO 20344:2021+A1:2024

DESCRIPTION

Linear is the **U-Power work shoes** style with **BOA® Fit System** closure that combines innovation and safety. The **water-repellent** microfiber Nubuck effect **upper** offers maximum protection from water and liquids, keeping the foot dry and comfortable at all times, **ideal for demanding work conditions** .

This footwear features AirToe Aluminium toe cap, which is lightweight yet extremely impact resistant, and ultra-lightweight anti-puncture footbed for maximum protection against accidental punctures. The new-generation PU compound outsole **provides lightweight , slip-resistant , oil-resistant and anti-static stability** , making Linear perfect for dynamic and intense environments such as logistics, transportation and crafts.

Comfort and style are assured, so you can live your workday with serenity and safety.
