

LORAS ESD

ORT20086

DESCRIPTION

The Loras from the Red Stratos range are low-cut, lightweight safety shoes, ideal for those seeking protection and comfort even in warmer seasons. With protection class S1PS HI HRO FO SR, they offer an ultra-lightweight NanoFiber toecap, metal-free anti-puncture midsole and a stretchy, breathable and ergonomic U-Knit upper. The high-grip, heat- and oil-resistant outsole ensures stability on demanding surfaces, while the breathable lining and anatomical U-Power Original footbed ensure prolonged comfort, perfect for industry, logistics and technical environments.
