

MAJO

WST350GI

DESCRIPTION

Majo is a **u.lite U-Power work pants** that combines comfort, durability and functionality in a modern, versatile **slim-fit design**. **Made of stretch cotton**, it offers **optimal freedom of movement** to face even the most demanding work days with comfort. Designed with a focus on practicality, the pant features **two multifunctional side pockets**, **two front pockets** and **one back pocket**, providing enough space to organize tools and accessories. The central zipper and rubberized scratch-resistant button closure, along with the elastic waistband and accentuated back yoke, ensures a **comfortable fit** and **extra protection for the lower back**. **Designed to last**, it features durable details such as **knee pad pockets** made of 300D polyoxford wear-resistant fabric, reinforced heel counter and triple stitching that add to its strength. **Red reflex tape** on the back yoke **provides extra visibility**, while **hammer webbing** completes an extremely functional design. This U-Power pant is the ideal choice for those looking for professional clothing that combines style, practicality and durability. Perfect for professionals who do not want to compromise between comfort and performance.
