DESCRIPTION

U-Power work shoes designed to offer protection and lightness in one. The **PU SOFT** cuff provides wear resistance, while the **light weight** makes this ideal footwear for those who work long hours on their feet. Inside, the **polyester lining** promotes air recirculation, keeping the foot dry and comfortable. The **FiberToe** toe **cap** protects toes from impact, making marc suitable for even moderately risky work settings. The **compact polyurethane sole** , produced with spray technology, features a light **tread** that combines lightness and stability. Available in all sizes from 35 to 48.
