Model: MARCUS ESD

Protection Class: S3S CI HI HRO FO SR

Article: 0RE20104

EU Norm: EN ISO 20345:2022+A1:2024

DESCRIPTION

Marcus is a **work shoe** designed **for those seeking** a combination of **comfort** and **protection** . The **Nubuck-effect microfiber upper** is **water-repellent** , **durable** and **easy to clean** , ideal for demanding work environments. The **Fibertoe toe cap** provides prolonged protection, while the ultra-lightweight **puncture-resistant** footbed **ensures safety against puncture hazards** . Completely **metal free** , Marcus ensures a lighter, more practical fit. The **EVA and gray rubber outsole** provides stability and grip, ensuring maximum performance. It is available in all sizes from 35 to 48.
