

MIZAR

WHL307YF

DESCRIPTION

The **u.lite U-Power** mizar **work T-shirt** is designed to ensure safety and comfort in any work environment. **Reflective stripes** applied to the torso and sleeves **provide high visibility** , ideal for those working in low-light conditions. **Made of "honeycomb" weave fabric** , it provides outstanding breathability and durability. Equipped with **sweatband** , it offers added comfort and protection on the skin. The T-shirt is certified for **up to 25 washes** , preserving its technical characteristics and reliability over time. The product is available only in batches of 3 pieces (code HL307) and 30 pieces (code CY307).
