

NEBRIS

WMP440YF

DESCRIPTION

U-Power's Nebris Shell is a 3-layer multi-risk garment designed to ensure safety and maximum practicality on the job. Waterproof, windproof and breathable, it can be worn alone or paired with the ONYX Softshell thanks to the ZIP-IN system.

Featuring a retractable fireproof hood, certified 5 cm reflective bands, functional front, inside and chest pockets, and loops for communication devices or detectors, the Nebris shell ensures maximum visibility and protection in any work situation.

SIZES

S-5XL

COMPOSITION

100% Polyester + Protex
lining – cotton – aramid fiber
– carbon, 380–400 g
