

NELSON s ESD

0RV10214

DESCRIPTION

Waterproof high-top safety shoes with a microfiber Nubuck effect upper and a new generation **ultra-lightweight** PU compound **sole** that considerably reduces the overall weight of the shoe. **Work shoes comfortable and lightweight** ideal in cold and wet environment. The special CI **protection of the sole against cold** (A temp. ≤ 10 °C.) makes the style suitable in all work situations with frequent exposure to low temperatures such as **warehouse** , **logistics** and **transportation** , **plumber** , **electrician** , **mechanic** , etc. Foot protection is provided by the **AirToe Aluminium toe cap** and the **Save & Flex Air anti-puncture** , totally **textile insole** . **Work shoes are slip-resistant** , **anti-static** , with **anti-abrasion** and **anti-oil** soles. Comfort and prolonged well-being guaranteed by the presence of the **ultra-breathable** WingTex air tunnel **lining** and the U-Power Original **insole with self-molding** , **anatomical** and **antibacterial properties** . **Lightweight safety shoes for women and men** in sizes 35 to 48.
