

OBERYN ESD

ORT20114

DESCRIPTION

The Obery of the Red Stratos range are low-cut safety shoes with protection class S3S CI HI HRO FO SR, designed to guarantee maximum safety and comfort even in demanding conditions. They offer PUTEK® star high tenacity, water-repellent and breathable uppers, an ultra-lightweight NanoFiber toecap and a metal-free perforation-resistant midsole. The Super Critical Technology sole together with the HRO rubber ensures high grip, heat resistance and protection from the cold, while the breathable lining and U-Power Original footbed offer extended comfort. Ideal for technical, industrial and logistics environments.
