FUTURE SUNGLASSES

WFU215VR

DESCRIPTION

Sunglasses ideal for work and leisure. The frame made of TR90-a special composition of nylon and carbon fiber-is hypoallergenic and very light, comfortable and durable. These custom sunglasses feature silver-colored "lion's head" outline and clear temples with U-Power logo print. Polarized sunglasses with lenses that improve vision by absorbing reflected light that provide 100% protection from UVA and UVB rays, reducing eye fatigue. Future square sunglasses are available in orange, yellow and blue and come with practical case. Multi-pack of 10 pieces, divided as follows:
4 Yellow Glasses
3 Glasses Orange
3 Glasses Blue
