# OLAF

GUG00016

## DESCRIPTION

**U-Power work glove** with **protection against mechanical and thermal hazards** , perfect for work requiring high precision due to the **15-needle finish** . **Ideal for food processing** , **fishing** , **agriculture** , **gardening** and **outdoor work** , always ensuring excellent tactile sensitivity. **HPT water-repellent technology** gives the coating a unique formulation that remains soft and flexible even in temperatures as low as -50°C. The **stretch Nylon cuff** ensures prolonged comfort during use, making the glove practical and versatile for various outdoor activities and in cold environments. This work glove combines protection, comfort and high performance, making it the ideal choice for those seeking reliability and durability. Available in packs of 12 (GUG00016) and 144 pieces (GUG14416).
