

Model: ONE SHOT BLACK

Article: GUG00045

DESCRIPTION

Disposable glove designed to provide enhanced sensitivity and grip thanks to the micro-textured finish on the fingers, ideal for operations requiring precision and control. With a weight of 4 grams and a thickness of 0.08 mm, it ensures a good balance between protection, comfort, and durability.

The powder-free design and silicone-free formulation help reduce the risk of dermatitis, irritation, and contamination. Certified as Category 3 PPE and compliant with EN ISO 374-5:2016 for protection against bacteria and fungi. Disposable, ambidextrous, and 100% latex-free, it is suitable for food contact and recommended for the mechanical industry, automotive sector, and heavy industry.

Supplied in lots of 10 boxes, each containing 100 gloves.

COMPOSITION

Nitrile
