

Model: PALMA

Article: WST374DG

DESCRIPTION

The **Palma** work jacket is the ideal solution for those looking for a garment that combines functionality, durability and comfort. Made of **stretch cotton**, it offers extraordinary **breathability** and great freedom of movement, adapting to all your work activities. This jacket is designed to provide you with maximum practicality thanks to its multi-pocket design.

You'll find a chest pocket with Velcro closure and two large zippered front pockets, ideal for storing your tools or personal items safely and accessibly. You can customize the fit with adjustable cuffs and bottom with snap buttons.

The central zipper closure covered with security Velcro straps makes the jacket even more reliable and sturdy. Plus, a handy rubber **D-ring** keeps your badge handy at all times.

Choose the Palma jacket to meet any work challenge with a garment that combines comfort, durability, and practicality in one design.
