

PANAMA UK s ESD

ORI10414

DESCRIPTION

Panama is a style of **tall** , comfortable **safety shoes** with **PUTEK STAR®** uppers that are highly **abrasion-resistant** , **water-repellent** , and **breathable** . These **safety shoes** use **BOA® Fit System** that offers a precise, micro-adjustable fit designed to perform in the most challenging conditions. The **AirToe Composite toe cap** ensures lightweight footwear (weighs only 50 g) and protects the toe box. Safety is also provided by the **Save&Flex Plus® Puncture resistance system** that protects the surface of the foot against puncture hazards from nails or splinters. **Panama** style **safety shoes** have special **sole protection against the cold** and provide **high breathability** and comfort thanks to the **Wingtex® air tunnel lining** . Comfort is ensured by the **WOW2 anti-fatigue, self-molding Foot Cover** that evenly distributes body weight and, thanks to the anti-fatigue insert, is able to relieve stress resulting from long hours on your feet. **Work shoes with slip-resistant , abrasion-resistant , oil-resistant and anti-static soles** . **Panama** is the ideal **work shoes** for: general **laborer** , **gas station attendant** , **carpenter** , **craftsman** , **bricklayer**, **carpenter** , **plumber** , **warehouseman** , **trucking** and **logistics** , **mechanic** , **tire repairman** , **painter** , **electrician** .
