

Model: PEPPER

Article: WST391GJ

DESCRIPTION

Pepper work jeans are the ideal solution for those looking for a rugged and comfortable garment that doesn't sacrifice style. Made from a **cotton and polyester stretch blend fabric**, these jeans offer maximum freedom of movement and outstanding durability, even in the most demanding conditions. The ergonomic design and raised back yoke ensure an optimal fit even when you're bent over or on your knees for extended comfort.

The Pepper style is synonymous with functionality and practicality. You'll find a tool pocket on the right leg with **ultra-strong webbing** and a **fly** pocket, designed not to bother you during movement.

On the left leg, a multifunctional Velcro pocket and a zippered side pocket allow you to organize and protect your personal items and work tools. Rounding out the features are a handy **hammer webbing**, an applied **badge holder** loop on the reinforced right front loop, and a center **YKK zipper** closure, a symbol of reliability and durability.

Choose Pepper jeans to combine strength, comfort and functionality in one work garment.
