

Model: PIKA

Article: GUG00014

DESCRIPTION

U-Power's Pika **work glove** offers excellent protection **against mechanical and thermal hazards**, ensuring safety and comfort in a variety of activities. Made with a **13-needle finish**, it **provides good tactile sense**, ideal for precision work. The glove's **integrated carbon fibers facilitate the dissipation of antistatic electricity** caused by friction between two bodies, making it particularly useful in environments where this property is critical. The **stretch Nylon cuff** ensures a **comfortable fit**, while **touchscreen compatibility** allows the use of smartphones and tablets without having to remove the gloves. **Perfect for** activities in **logistics**, **construction**, **service** and **industry**, **fishing**, and **automotive**, the Pika glove combines protection and comfort, making it the ideal choice for professionals in various fields. Available in packs of 12 and 144 pieces (GUG14414).
