## DESCRIPTION

Work shoes for men and women with soft **perforated suede leather** upper and mesh inserts. **Slip-resistant safety shoes** with **oil-resistant**, **abrasion-resistant** and **anti-static** outsole. Safety ensured by **AirToe Composite toe cap** features and **Save & Flex plus Puncture resistance system** that provide protection to the toe and surface of the entire sole of the foot. **Comfortable** and **lightweight safety shoes** with **inner lining** with air channels for better aeration of the foot and **WOW2 insole**, composed of a self-molding arch support structure and **anti-fatigue insert** that ensures stress cushioning and even distribution of body weight. Ideal **safety footwear** for: **bricklayer** and **construction site**, **electrician**, **plumber**, **painter**, **carpenter** and **craftsman**, **gas station attendant**, **laborer**, **transportation & logistics**, **warehouse worker**, **mechanic** and **tire repairman**, **gardener** and **agriculture**.
