## DESCRIPTION

**Work jeans** made of **stretch** fabric that **provides full freedom of movement** and prolonged comfort. These **work pants jeans** contain 20 percent recycled cotton from the reuse of used textiles and processing waste. The use of the fabric makes these jeans **sustainable pants** that reduce environmental impact, in an ever-increasing concern for the environment and a ***green*** *vision* . The style is a **multi-pocket work jean** with **5 total pockets** , two of which - the back right pocket and the front right breast pocket - are enhanced in design by the presence of the embossed **"Red Lion" logo** . The back **label** and **lining of the** right **front pocket** are **customized** with the U-Power logo. Slim fit and YKK zipper.
