RUMBA

GUG00023

DESCRIPTION

U-Power 's Rumba **work glove** offers superior **protection against mechanical and thermal hazards** , **rated cut-resistant C** . Made with an **18-needle finish** , it provides high grip performance and excellent tactile sensitivity, ideal for precision work. A **stretch Nylon cuff** ensures a **comfortable fit for extended periods** , while touchscreen compatibility allows use of smartphones and tablets without having to remove gloves. **U-Bubble nitrile nanofoam technology** uses safe materials that keep the coating soft and flexible even in the cold, without stiffening or cracking. This glove is perfect for tasks in the glass, sheet metal, metal and petroleum industries, heavy construction, fishing, waste and automotive. Available in packs of 12 and 144 pieces (GUG14423).
