COMPOSITION

72% COTTON, 27% POLYESTER, 1% ELASTANE (330 g/m2)

SALT

WST392BC

DESCRIPTION

Salt work bermudas are the ideal solution for those looking for a rugged, comfortable garment for summer without sacrificing style and functionality. Made of a durable **cotton and polyester stretch blend fabric** , these bermuda shorts offer maximum freedom of movement and outstanding durability, even in the most demanding conditions. The raised back yoke ensures an optimal fit even during bent-over or kneeling activities for extended comfort.
The Salt style is synonymous with functionality and practicality. You'll find a tool pocket on the right leg with **ultra-strong webbing** and a **fly** pocket, designed not to bother you during movement.
On the left leg, a multifunctional Velcro pocket and a zippered side pocket allow you to organize and protect your personal items and work tools. Rounding out the features are a handy **hammer webbing** , a **badge holder** loop (or multi-purpose attachment) and a **YKK** central **zipper** closure , synonymous with reliability and durability.
Choose Salt Bermuda shorts to combine durability, comfort and practicality in one work garment, perfect for warmer days.

STRETCH FABRIC

Stretch cotton fabric. Combines cotton comfort with elastomeric fiber functionality to create garments that are comfortable, durable and highly breathable.
