

SAMBA

GUG00018

DESCRIPTION

Samba is the **U-Power work glove** that offers effective protection against mechanical and thermal hazards, **classified as cut-resistant B** . With a **15-needle finish** , these gloves provide a better tactile sense, facilitating precision work. **PU-FOAM coating** ensures **great dexterity and breathability** , preventing hand sweating and making them **ideal for logistics** , **construction** , **service** and **industrial** , and **automotive** activities. The **stretch Nylon cuff** provides superior comfort during extended use, while **touchscreen compatibility** allows the use of smartphones and tablets without having to remove the gloves. **Perfect in both wet and dry environments** , Samba gloves combine protection, comfort and high performance, making them the ideal choice for professionals who need reliability and precision. Available in packs of 12 and 144 pieces (GUG14418).
