## DESCRIPTION

**Work shoes** designed by **U-Power** for those looking for comfortable, lightweight footwear without the need for a protective toe cap. The **SOFT PU shaft** is **durable** yet **flexible**, perfect for those engaged in activities where freedom of movement is essential. The **polyester lining** provides good breathability and **keeps the foot cool and dry** throughout the day. The **sole**, made with innovative **spray technology**, is made of compact polyurethane with outdoor tread to provide grip and stability even on difficult surfaces. Seal is available in a wide range of sizes, from 35 to 48, and is **ideal for** less risky but still **dynamic work environments**.
