

SIRIUS

WHL306YF

DESCRIPTION

Sirius is **U-Power's high-visibility work pants** that combines performance and safety, designed to provide maximum comfort and durability during long work days. Made **of** moleskin-effect **polyester/cotton fabric** , it is a reinforced winter style with a **central zipper closure** and scratch-resistant rubberized button for added durability. The back of the work pants is reinforced with an accentuated yoke that offers extra protection to the lumbar area, while the soft plastic D-ring located near the side pocket enhances functionality and allows work tools to be clipped in. Triple stitching ensures superior resistance to daily stresses. Stretch inserts in the waistband allow a comfortable fit and total freedom of movement, ensuring maximum comfort during work activity. Preformed fabric on the knees is designed to facilitate joint movement, making the pants even more suitable for intensive work. The Sirius style is designed to offer maximum functionality. Large **front pockets** , **back pockets** with flap and Velcro closure, and **multifunctional side pocket** with Velcro provide ample storage space for work tools. The tape **measure pocket** and reflex tape on the rear tubular loop improve visibility and safety in the workplace. This pant is **durable up to 50 washes** while maintaining its comfort and visibility features. The product is only available in batches of 1 piece (code HL306) and 20 pieces (code CY306).
