

Model: **SOFIA**

Article: WIN228WB

DESCRIPTION

Sofia is the **U-Power workwear jacket** designed to offer maximum **functionality** and **durability**. Made of **mechanical stretch fabric**, this jacket ensures durability and ease of maintenance, being **washable at 60°C**, a key aspect of keeping workwear clean and hygienic at all times. **Winter work jacket** equipped with a chest pocket with Velcro closure and two large zippered front pockets, ideal for storing tools or personal items safely and accessibly. In addition, the jacket includes a handy plastic badge holder ring. The cuffs are adjustable with snap buttons, allowing the fit to be adjusted according to personal preferences and weather conditions. A **central zippered closure** and contoured elastic hem complete the design. The **sofia** work jacket is available in three stylish colors, **Black Carbon**, **Westlake Blue** and **Grey Iron**, each designed to suit different styles and preferences. Designed to meet the needs of different sectors, this jacket is particularly suitable for areas such as **transportation** and **logistics**, **building and construction**, **service** and **industry**. The product is also available in lots of 10 pieces (code CY228).
