DESCRIPTION

U-Power **technical work socks** that offer **comfort** and high performance thanks to **PowerFit technology** , which combines **graduated compression** and **anti-fatigue properties** for proper blood circulation. Equipped with **ankle support bands** and polypropylene ventilation channels, they provide optimal stability and **breathability** . Flat seams under the toe prevent friction, while **Cordura®-reinforced heel and toe** ensure durability. Perfect for tackling long work days with comfort and durability. Product is only available in a 2-piece lot.
