

Model: THIAGO

Article: OPU80013

Protection Class: O4 CI LG FO SR

EU Norm: EN ISO 20347:2022+A1:2024

DESCRIPTION

U-Power safety boot with an essential design, perfect for those who work indoors or on regular surfaces. The **PU SOFT** cuff ensures **flexibility** and **strength**, accompanying every movement of the foot naturally. The **polyester lining** keeps the foot **dry** thanks to its ability to promote breathability. The **compact polyurethane sole** is made with spray injection technology and features a **light tread**, making the shoe lighter without compromising stability. Available in sizes 35 to 48, it is the perfect choice for those who want comfort and convenience in daily activities.
