DESCRIPTION

U-Power safety boot with an essential design, perfect for those who work indoors or on regular surfaces. The **PU SOFT cuff** ensures **flexibility** and **strength**, accompanying every movement of the foot naturally. The **polyester lining keeps the foot dry** thanks to its ability to promote breathability. The **compact polyurethane sole** is made with spray injection technology and features a **light tread**, making the shoe lighter without compromising stability. Available in sizes 35 to 48, it is the perfect choice for those who want comfort and convenience in daily activities.
