TREK

WFU342DG

DESCRIPTION

Trek is U-Power's **cargo pants** designed for those seeking the perfect blend of practicality, comfort and modern style. These pants, made **of U-4 stretch fabric** , provide total freedom of movement thanks to four-way stretch and **water-repellent** , **breathable** and **quick-drying** features. The Trek pants are **ideal for both work and leisure** thanks to a combination of technical details and contemporary design. The jogging fit, ensured by the stretch fabric and inserts at the waist and bottom, offers maximum comfort, while the zippers at the bottom make it easy to wear with high shoes or boots. The **numerous pockets** , including two front, two rear zippered and two multifunctional side Velcro pockets, are perfect for storing badges, tools or personal items. Strength and protection are provided by the **wear-resistant reinforcements on the knees** and the accentuated back yoke, which ensure durability even in the most demanding activities. The reinforced D-ring loop loop keeps tools close at hand. **Reflective details** , such as the reflex inserts behind the knees, on the bottom and on the back yoke loop, **enhance safety in low-light conditions** , while the reflective "U-Power" logo under the right pocket and the "lion's head" rubber label on the left pocket add a touch of style. Available in four different colorways: Black Black, Deep Blue, Dark Green, Grey Grey.
