DESCRIPTION

RedLion® safety shoes, with AirToe Aluminium toe cap and Save & Flex PLUS anti-puncture system, designed to provide prolonged foot comfort. Low and ultra-light, with ultra-breathable mesh upper with soft suede leather inserts, these work shoes provide comfort and lightness thanks to the outsole with innovative Infinergy® system and PU foam midsole. The multifunctional heel and compact PU tread provide grip, safety and posture stability. This footwear is suitable for use in dry environments, transportation and logistics, craft workshops and service and tertiary sectors.
