

VEGA

WHL304GY

DESCRIPTION

The Vega summer work trousers by U-Power are the ideal solution for those seeking visibility and comfort. Made from a durable 50/50 cotton/polyester fabric, they are designed to withstand even the most demanding working conditions.
The central fastening with a zip and an anti-scratch rubber-coated button ensures security and durability.
For greater protection and comfort, Vega features reinforcement in the lumbar area with a pronounced back yoke and elasticated inserts at the waist, ensuring excellent freedom of movement throughout the working day. The pre-shaped knees facilitate joint movement, while triple stitching strengthens the construction, making the trousers even more durable.
Vega is highly functional and practical, featuring two spacious front pockets, two back pockets with flaps and hook-and-loop fastenings, one multifunctional side pocket and one ruler pocket, all designed to keep work tools well organised.
Reflective tape on the rear tubular belt loop provides greater visibility in low-light environments, enhancing workplace safety.
These trousers are designed to withstand up to 50 washes, retaining their technical properties and comfort.
Also available in a pack of 20 pieces under code WCY304.
