

WASP

WFU416NR

DESCRIPTION

The Wasp full zip sweatshirt without hood is designed to offer the perfect balance of functionality, comfort, and modern style. Made from durable, compact fabric with an elastic component, it ensures softness, freedom of movement, and long-lasting performance.
Practical and functional, the sweatshirt features two side pockets and one chest pocket, all zip-closable, providing maximum convenience and security for everyday use. Contrast inserts complete the design, giving the garment a modern and distinctive look, suitable for both casual and professional settings.
