

WINK

WFU255RL

DESCRIPTION

Innovative **winter work jacket** with **graphene padding** , lightweight and durable. Graphene fabric allows even heat distribution ensuring **comfort** and **well-being in all weather conditions** . **Jacket with** adjustable fixed **hood** with elastic drawstring and central zipper. **Water-repellent jacket** with soft **microfleece inner** collar and adjustable straight hem with inner drawstring. Cuffs have Velcro and inner **windproof cuff with thumbhole** . **Multi-pocketed** , comfortable and functional **jacket** .The front has **two hand-warming pockets** with drainage holes plus **two** vertical **pockets** and an additional vertical **chest pocket** , all zippered.The front pockets are joined by **two** very large **inner** pockets, one of which is zippered. The design of this **technical work jacket** is enriched by the presence of a **reflex band** on the left side chest and hood, in the Asphalt Grey and Dark Green variants, while in the Black Carbon variant the bands have a carbon effect. "U-Power" reflective logo print on the right side of the chest and "U-Supremacy" print on the back. Internal back opening to allow customization of the work jacket and facilitate printing and embroidery. **Work jacket** suitable for **transportation** and **logistics** , **building** and **construction** , **service** and **industry** , **craftsmen** , **electricians** , **plumbers** , **agriculture** and **gardening** .
