DESCRIPTION

York is a **U-Power work sweatshirt** designed to offer **comfort** , **practicality** and **durability** in any work context. Made of **technical fabric** , **smooth on the outside and soft on the inside** , it provides excellent protection from the cold without sacrificing **breathability** and **quick drying** . The raglan sleeve ensures excellent freedom of movement, making it **perfect for** those who perform **dynamic work.** With a **modern design** and attention to detail, the york **crewneck sweatshirt** features a contrasting fabric on the sides and a practical **vertical chest pocket** in technical material, equipped with a zipper with contrasting colored notches. Stretch rib cuffs and hem improve the fit, while **reflective details** , such as the "rubber label" logo with the "lion's head" on the side pocket and the U-Power print under the collar, increase visibility. Versatile and functional, this sweatshirt is ideal to wear on its own or under a work jacket, adapting perfectly to a variety of weather conditions. Durable and comfortable, it is the perfect choice for professionals looking for a reliable technical garment with distinctive style and an impeccable fit.
