

**Model:** ZAGABRIA

**Article:** WIN336WH

## DESCRIPTION

**U-Power work jacket** designed for maximum functionality and durability. **Made of stretch cotton**, it **provides** the perfect combination of **durability** and **breathability**, making it ideal for long work days. Equipped with a **chest pocket with Velcro closure** and **two** large zippered **front pockets**, it offers practical space for tools and personal items. The design is enhanced by a plastic **badge holder ring**, essential for professionals on the move. Adjustable snap-button **cuffs** allow the jacket to be tailored to personal preferences, while the **central zippered closure** and contoured bottom with elastic ensure a comfortable fit and optimal protection. **Washable at 40°**, Zagabria is an **ideal choice for painters** and professionals who seek reliability and style. The product is available in 1-piece (code IN336) and 10-piece (code CY336) lots only.
