

ZENITH

WSK316VF

DESCRIPTION

U-Power **long work socks** designed for **performance** , **comfort** and **durability** . With graduated compression **PowerFit technology** , they promote proper blood circulation, reduce fatigue and provide optimal thermoregulation. Equipped with **supportive ankle bands** and polypropylene ventilation channels, they offer **freshness** and **breathability** throughout the day. Flat seams under the toe improve comfort, while wear-resistant reinforcements on the heel and toe ensure durability. Perfect for those seeking reliable technical socks that are ideal even in demanding working conditions. Product is only available in lots of 2 pieces.
