

Model: **READY**

Article: WDW355BC

DESCRIPTION

Ready work trousers are the perfect choice for professionals who demand comfort and functionality without compromise. Crafted from a durable **stretch cotton/polyester fabric** with elastic inserts at the waist, they offer maximum freedom of movement and all-day comfort. Their **breathable**, **quick-drying** construction helps keep your skin cool, even during the most intense tasks.

Built to last, these trousers feature triple stitching and a reinforced back yoke for added protection of the lower back. For added practicality and safety, they include bottom-entry knee pad pockets in poly oxford, secured with Velcro. A **soft plastic D-ring** and a central zip with a **scratch-resistant rubber button** complete the functionality. The Ready model stands out for its practical multi-pocket design.

It includes two large front pockets, two back pockets with flap and Velcro closure, and a dedicated ruler pocket. On the sides, you'll find two multifunctional pockets: one adjustable **mobile phone pocket** and another that conceals a retractable **badge holder** and features a horizontal zip pocket. Also included are a coin pocket and a **handy hammer loop**. Your safety comes first: **reflective inserts** below the knees, on the back and side pockets, enhance your visibility in low-light conditions.

The trousers also feature an extendable hem (+5 cm) to better adapt to your needs.

The knee pad pockets are compatible with the **ergonomic knee pad** certified to EN 14404 (Type 2, Level 1), item GC061BC.
